Case No. CV-08-3768

(PR)

Complaint under the civil
rights act.

Title 42 U.S.C § 1983

1. To the Clerk of the court:

I've filed three times already I am a U.S. citizen, I've filed three times by the rules of the Northern district court. Three times I get the same story I will not pay for something that is not filed I've mailed my originals with my In forma Pauperis plus two extra copies. I've complied with the \$5.00 filing fee charge I've done everything by the books and the clerk's response is always one thing or another. I see this time it was returned because you didn't receive my prisoner's trust account statement showing my transactions for the last six months. I've submitted every necessary this is interfering with my civil rights and it's becoming a civil disorder putting my life in greater danger. I'm having racial conflicts with the Mexican staff and other races I'm white I got my birth certificate in my locker and the counselors still choose to hold me to Mexicans today was my release day to go home, due to the racial conflicts I'll be here another nine months or so I will file when I get out, if you really didn't get my copy showing my transactions that tells you something yet the \$5.00 money order mail it. Something must be done of this as soon as possible the psychologist want to shoot drugs in me with needles I was told I could die at any moment but I won't I'll be out soon, I just can't pay the \$350.00 you order after 30 days for nothing I will not pay those \$350.00. I ask that my civil complaint be filed now or dropped I can't keep on wasting money on the law library my money has gone missing I'm being robbed but it will not be let go. I ask that this be reviewed I did file for In forma Pauperis I wait on some kind of response and Justice. You always mail a copy back a § 1983 and In forma Pauperis.
